SOPRANO GUEST AT ANNUAL MEETING

The annual meeting of the Mattapoisett Woman's Club will be a luncheon at the Harbor Beach Club April 27th at 12:30. The Choral Group will favor the clubwomen with selections from the "Music Man". The guest entertainer for the afternoon will be Harriet Malnate Bonish, a noted soprano from Quincy. She is married and has three sons also seeking musical careers. Mrs. Bonish began her singing career at the age of three in Chicago, Illinois. After moving to Quincy she studied piano and voice at the Quincy Conservatory of Music. She has appeared publicly in the Boston area at the New Ocean House in Swampscott, the

St. Anthony's Groundbreaking

A bright new chapter in the history of St. Anthony's Church occurred on Sunday under leaden skies soggy with spring rain. It failed to dampen the spirit of the congregation as they gathered about 150 strong. In the photo(left), Donald Fleming is shown speaking to the gathering. Mr. Fleming read the roll of all those who worked and are working to make the new church a reality. In the left background, Fathers Frank Gillespie and Leo King, of St. Anthony's, listen. (photo right) Father King, flanked by two energetic parishioners, turns the first shovelfuls of earth to begin the building. The construction of the semi-colonial, white, cedar shingled church will begin on May 1st and is expected to be completed in seven months. The new St. Anthony's will replace the original structure which has undergone many changes and additions since it was built at the turn of the century. The greatest change of all is the growth of the congregation which is expected to be 600 strong when the new church is ready for occupancy.

Mattapoisett Grange

Mattapoisett Grange held its bi-monthly meeting last Thursday night with the worthy overseer Mark Harris presiding in the absence of the master who was ill.

Honored guests were Dorothy Wilson, representing Sippican Pomona; and Fred Wilson, master of West Wareham Grange. Mrs. Wilson announced the next Pomona meeting will be held at Rochester Grange Hall when the Pomona Degree will be conferred in the evening. She urged Grange members who had not received this Degree to take advantage of it and become a 5th Degree member.

The report of the successful whist party with Mr. and Mrs. Leonard Randall in charge assisted by their sons was given. Plans were discussed for a Sunday night buffet, to be held in the Grange dining hall May 7th, at 5:30 P.M. Limited tickets will be sold by reservation only. This is a ways and means project. The committee in charge is Mrs. Mildred LeBaron, Mrs. Mary Costa, Mrs. Ruby Barber, Mrs. Bernadette Alves, Mrs. Gloria Rounds, Mark Harris, Mark Breton and Dennis Sylvia, with Mrs. Susan LaFleur in charge of the dining hall.

Members are asked to bring in articles suitable for a Maybasket for the May 4th meeting. Invitations were received to visit with New Bedford Grange on Monday, May 1st, and Acushnet Grange Tuesday, May 2nd.

The lecturer's program was in charge of past lecturer, Mrs. Olive Gifford. A fine book review was presented by Earle Wilson, who reviewed "The Holocaust" by William

Guests were present from Rochester, Acushnet and West Wareham Granges, who helped to make the book auction a success.

The next Grange meeting on May 4th will be past lecturers' night. Deputy Ashley will be present as a special guest.

The social hour was in charge of Mark Harris. The May 7th buffet reservations may be made with Mrs. LeBaron, 2593, or Mrs. Vaughan, 2704.

Officers Elected

ELECTION OF OFFICERS AT COUPLES CLUB

A catered chicken dinner preceded the annual meeting of the Mattapoissett Congregational Couples Club. The dinner was served by Mr. and Mrs. John Pagenkopf and their committee.

Elected for the following year were: Mr. and Mrs. Chester Berg, president; Mr. and Mrs. Malcolm Campbell, vice-president; Mr. and Mrs. Grant Faber, secretary; Mr. and Mrs. Robert Fournier, treasurer; Mr.

and Mrs. Merritt LaPlante, entertainment; Mr. and Mrs. Everett Southard, refreshments; Mr. and Mrs. William Matthews, membership; and Mr. and Mrs. D. Torrey Sylvester, sunshine.

Following the meeting some of the cast from "Hello, Dolly" entertained the club. Performing were Cathy Langevin, Lisa Gurney, Milton Vaughan, Richard Helfand and Jeffrey Dunn. Accompanying the group was Mrs. Chester Berg.

The May meeting will be held May 13th rather than the 20th.

The editorial "Mired in Mattapoisett" of the Standard-Times of April 18th needs answering for several reasons. The most obvious of which is that it bears no relation to the town meeting action. Either the con-signed editor was uninformed of the Town Meeting dialogue or chose to ignore the de-liberation which led to some very careful

decisions.

The school question was the focus of weeks of articles, broadsides, public presentation and personal campaign contacts. The voters certainly were informed on the proponents' side of the question. The largest gathering of voters at any town meeting in the history of the town was present to vote and they rejected the proposal. This action was not unique in the town of Mattapoisett. Recently the town of Fairhaven rejected a school building proposal and instrumental in opposition was one of the most respected educators of the area, Miss Elizabeth Hastings. Time magazine in the cover article of "Is the United States Going Broke" of March 13, 1972, states, "Across the country, citizens last year voted down 65% of all bond issues to build new schools, hospitals, sewage plants and other facilities vs. an average of a 30% turndown rate during the 1960's and a mere 8% in the 1947." The trend, then, is nationwide. Inflation and the necessity of conforming to ever increasing demands and regulations by the State government has pushed the school building costs to excessive levels. In addition to that, the voters are well aware of the 5 schools already committed or being supported, with ever increasing budgets, which strain the overburdened homeowners. The deliberation on the school addition was extensive and the voters, responsible for the financial stability of their town, voted in the negative. No criticism is warranted.

In the same vein, the water system designed to supply Brandt Beach at a cost of approximately 1/3 million dollars was considered on its merits. With no guarantee that homeowners in the area would be in a position to extend the costly piping the long distances to their home along private roads, the voters reluctantly voted the proposal down.

Today is the day to take control.

Introducing our CASH CONTROL ACCOUNT

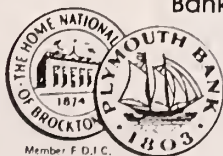

Plymouth-Home National Bank has developed a new banking service that turns an ordinary checking account into a Cash Control Account. It's a very simple cash transfer system that enables you to move your money from checking to savings, or from savings to checking, to plan a scheduled build-up of your savings, pay your monthly payments on installment

loans, and make payments on your club accounts.

Cash Control lets you put your money where you want it—automatically and at no expense. All you have to do is come into any of our 15 Plymouth-Home offices or call 583-6700 and say, "Today is the day I want to take control of my cash!" We'll know what to do...and you can count on that.

The sewer system was tabled because of its cost and because few townspeople present could be convinced that the system proposed was necessary to solve the existing problem. While completely reasonable in listening to and acknowledging the problem, the voters remained unconvinced that a compact, simpler system of correction could not do the job. Since only the one proposal was placed before the town meeting, responsible voters were forced to table the proposition to await an alternative. This was a reasonable decision coupled with a continuation of the committee on Water Pollution Abatement to continue to seek a solution, acceptable to the town and within its means.

In every instance, the questions were fully deliberated and acted upon with reason and the best judgement of the people who pay the bills. This is democratic

government. No censure is warranted and that which has been directed at the town by the editorial, "Mired in Mattapoisett", is unfair and completely unjustified. The most charitable thing that can be said of this editorial is that the choice of metaphor in the title is apt. Mud is the ideal material to obscure the facts.

In actual contrast, the Mattapoisett voter has both feet planted firmly on the ground in maintaining the town's stability.

D.C.J., Editorial

The following letter by Mr. Berthold Putman was written in answer to the Standard-Times' editorial "Mired in Mattapoisett". It has been submitted to the Standard-Times and Mr. Putman has also sent it to us for publication.

**LETTER TO THE PUBLISHER OF THE
NEW BEDFORD STANDARD-TIMES**

It was with great chagrin that I read your editorial of April 18th entitled "Mired in Mattapoisett". This splendid piece of distorted commentary, I suppose, emanated from the pen of one of your editorial writers, a resident of Mattapoisett known for his enthusiasm for protecting our environment. He seems to have found the judgement of a clear majority of responsible citizens contrary to his pet views and now verbally spans the town residents on your editorial page without any constructive suggestions other than state aid or "broadening its tax base".

First, let it be said that very few voters came away from the Town Meeting without two feelings--one of frustration and the other of fear. The fear that at the present rate of inflation many average residents with limited incomes will have to move elsewhere

shortly since their real estate taxes are a real burden. The frustration is that the many regulations imposed by agencies of the Commonwealth and Federal Governments on sewers, schools and other projects drive the cost of such projects beyond the level where small but growing communities can afford to provide them in a reasonable manner. There is an additional feeling that although committees had worked long and hard on the problems involved, the cases they put before the voters were not clearly supported by facts or believable statistics, nor were all other possible alternatives clearly explained or explored.

Let us take the school situation as an example. The Old Hammondtown School, with ten (10) classrooms, and a combination cafeteria and utility room, was opened five (5) years ago to take care of grades four through six. A year later, with rooms to spare, there was a proposal by the School Administration to lease some of the classrooms to Rochester

and Marion who at the time were having growth problems. In the spring of 1971 the School Building Committee came to a Special Town Meeting with plans for an addition of twelve (12) classrooms and a full size gymnasium. This was rejected by better than fifty percent (50%) of the voters at that meeting. The proposal was put before another Special Town Meeting earlier this year with only two changes--the size of the gymnasium was reduced and the amount of state aid had increased because of the high unemployment in the area. No effort was made by the

drop in the attendance at Old Hammondtown School took place from the fall of 1970 to the fall of 1971 and the decrease in the birth rate for the town continues). If the projected growth figures are in error, then perhaps twelve (12) classrooms are excessive. It should be noted that at this same Special Town Meeting the voters approved joining a Vocational District based on a demonstrated need and a well explained presentation. There is also a fear that the School Administration wishes to discontinue the use of part of Center School which is old but sound and was brought up to current safety standards under the supervision of the state fire marshall two years ago at a substantial cost. There is also considerable question in the minds of the voters as to the reasonableness of state requirements for a gymnasium for grades four through six which allegedly would cost forty dollars (\$40) per square foot.

Let us now turn to the question of the extension of the water system, which is a Three Hundred Thousand Dollar (\$300,000) plus proposal. In one area to be served, the majority of fifty (50) odd families, who would be year round users, wanted no part of it. In the other area to be served, a survey showed only thirty-one (31) possible year round users for the proposal, twenty-four (24) against, and six (6) undecided. In addition, in this latter area, there was a substantial question about even those in favor being able to utilize the water since they are located on private ways and would have to privately pipe the water under these roads. The major question in this issue was "should the Town spend \$300,000 when only some fifty (50) odd families wanted town

Finally, the sewer project proposal was to provide sewage in connection with Fairhaven. This project covered the center, the oldest and most congested area of town, as well as adjacent areas. In the center of town there are least three (3) sewer lines, fifty (50) years old or older which empty into the harbor. In addition, there are four brooks which are being polluted, accidentally, or deliberately, by overflow from septic tank systems. There is no question that this situation must be remedied, but should the state and federal governments be able to say to a town that one must go from some pollution (sometimes closing a bathing beach for one week a year) to a zero level overnight. This seems to be the case, since the suggestion by the town of a small plant to take care of the existing lines plus perhaps some of the brook overflow was rejected by the state and we were informed that the only answer which is acceptable to the regulators is a multi-million dollar project which this town, in the opinion of most of its residents, simply cannot afford regardless of some proffered state and federal grants. The approval of the State Emergency

Finance Board whose function is to see that towns do not assume more of a financial burden than they can afford would have been requested for an issue of these bonds.

traditions of New England should pause before printing such lopsided drivel and would do better to support the common horse sense of a town meeting, the fountainhead of our democratic society, against the needless bureaucratic intrusions and extravaganzas of state and federal agencies who set unrealistic standards and force the spending of taxpayers' money because they never have to pay.

Scholarship Drive

ANNUAL DRIVE PLANS

"DOLLARS FOR SCHOLARS"

The Old Rochester Chapter of the National
 Citizens Scholarship Foundation is preparing
 final plans for its Annual Fund Drive Week-
 end to take place this year May 6th-7th.
 Since the Old Rochester School District is
 composed of three towns, three separate,
 special organizational meetings are being
 held for the citizens of Marion, Rochester
 and Mattapoisett in order to arrange the
 "Dollars for Scholars" campaign in accordance
 with individual town requirements.

The Mattapoisett contingent will meet
 this evening at 7:30 at the home of Mrs.
 Jarvis Stratton, who is the Mattapoisett
 Adult Coordinator of the "Dollars for Scho-
 lars" student solicitation drive. Mrs.
 Stratton and her assistants, Mrs. Edward
 Lewis and Mrs. Norman Atkinson, urge all

concerned Mattapoisett residents to attend
 this very important meeting, even if only to
 lend moral support. The parents of area
 high school sophomores and juniors are most
 especially reminded of their imminent in-
 volvement in college financing and thus
 their obviously necessary recognition and
 dedicated promotion of this excellent scholar-
 ship program. For further information, con-
 tact the Old Rochester Chapter Scholarship
 President, Mr. Charles B. Dunn, of Point
 Connett, Mattapoisett.

In 1941, its first year of operation, Tobey accepted 1,177 inpatients. By 1970, this figure had increased to 3,477. Outpatients in 1941 numbered 506; in 1970 - 16,148! Throughout this increase in service, Tobey has maintained high standards resulting in maximum accreditation, has acquired an intensive care unit unsurpassed by any similar facility, and has initiated a 24-hour emergency service staffed by 4 doctors, trained specifically for this duty. Moreover, Tobey has retained the friendly, neighborly atmosphere which area patients and their families value so highly.

The new wing will include rooms for 42 patient beds, new operating suite, new recovery room, new physical therapy and rehabilitation departments in addition to doubling the kitchen-dining area and a new power plant.

Ride for the Retarded

CYCLISTS NEEDED

On Sunday, May 7th, the Massachusetts Association for Retarded Children (M.A.R.C.) is sponsoring a fund-raising bicycle ride in the Mattapoisett, Marion, Rochester area. Cyclists, both young and old, are needed to make this "Bike Ride for the Retarded" a success. Volunteers will ride on an established route only as far as they wish. Registration forms may be obtained from the O.R.R. main lobby, Tabor Academy, Post Cyclery (Brandt Island Road and Route 6, Mattapoisett), or by calling Mark Gardner, 748-0943; or Elaine Lewis, 758-2876.

Bicycle riders will obtain their own pledges for each mile that they ride from friends or area merchants. For example, Mr. Smith pledges to give ten cents to M.A.R.C. for each mile that his son rides. If his son rides fifteen miles he contributed \$1.50. There is no limit to the number of sponsors a rider may have. All contributions will help to create additional opportunities for the retarded citizens of Massachusetts and

AFS Students Visit O.R.

VISITATION DAY FOR AFS STUDENTS

The Old Rochester Chapter of the American Field Service is holding a Visitation Day today, April 26th. AFS students from the Cape and Greater New Bedford area have been invited to spend the day with the students at Old Rochester Regional High School. The visitors will conduct informal afternoon rap sessions in the gymnasium with all students interested in talking about the countries represented.

Approximately 12 students from Chile, Brazil, Africa, Spain, Sweden, France and Germany will make up the visiting contingent. Mrs. Joseph Holt of Mattapoisett is the newly appointed coordinator for the local chapter of AFS and the school. Maigo Cabrera of Chile is the AFS student at ORR this year.

MATTAPOISETT YOUTH LEAGUE TRYOUTS

The Mattapoisett Sports and Athletic Committee will hold tryouts for the Wanderers and Mohawks, the town's two entries in the Capeway Youth League, this Saturday, April 29th, 1 P.M. at the Old Rochester High School baseball damond.

All boys 13 years of age and who will not be 16 before June 1 are eligible. This will be the only tryout for these teams.

In case of rain, tryouts will be held Sunday, April 30th, at 1 P.M.

YOUTH DRUG ATTITUDE SURVEY AT ORRHHS

The Massachusetts Department of Mental Health, Division of Drug Rehabilitation, recently conducted a youth drug attitude survey at Old Rochester Regional High School. A team of investigators set up interviewing stations in the cafeteria to question approximately 110 ORR students, more than half of whom were seniors selected randomly from homeroom lists. Results of the survey will be available later in the summer, according to James M. Pasquill, director of instruction.

CONTROVERSY GROWS .. New construction of homes on the edge of the marsh at Molly's Cove has attracted the attention of many and the protests on conservationists. Photos show the water standing in the heavy marsh muck around the footings and in the footing of the foundation of one of the sites. This marsh in the near back ground drains into the harbor at the mouth of the Mattapoisett river. There is no town water in the location so that well water must be used by the person who buys this home.

The Soviet Union owes \$85 million - and the rest of the Communist bloc \$31 million - or a total of \$118 million overdue from the world communist countries.

Mrs. Walter Lang gave a Conservation report and read an article on Pollution.

Forty-five dollars worth of handmade articles were sent to the DAR Continental Congress in Washington by Mrs. Harriet Krumholtz for the sale held by the Children of the American Revolution for their scholarship fund. She also sent a large packet of beads to be used by the Indians at St. Mary's School and funds were collected for the Indians' Scholarship Fund which is given to a Massachusetts Indian by State DAR each year.

The next meeting will be at the home of Mrs. Harriet Krumholtz on May 8th at 12:30. This is the Annual Meeting and will be a
